# Starck 2

News 2012

Best-Nr. 001262/14.09.12.40.1 - We reserve the right to make technical improvements and enhance the appearance of the products shown.

**Starck 2. Die Kraft der Nuance.** Oft sind es die kleinen Veränderungen, die nachhaltige Wirkung haben. Das beweisen die neuen Starck 2 Waschtische, mit denen Duravit das Re-Design der erfolgreichen Badserie fortsetzt. Obwohl die typischen Gestaltungsmerkmale erhalten bleiben, wirkt doch nun alles noch feiner und konturierter. Wie der ebene Beckenboden mit senkrecht verlaufenden Innenwänden. Wie das scheinbar kreisrunde Aufsatzbecken, das sich bei genauer Betrachtung als leichtes Oval entpuppt. Minimale Nuancen, die der Serie neue Frische und Modernität verleihen. Ideale Ergänzung: die Starck 2 WCs und Bidets, Starck Bade- und Duschwannen sowie Starck Badmöbel.

**Starck 2. The power of a nuance.** So often the smallest changes have the greatest impact. And the new Starck 2 washbasins, with which Duravit are continuing the re-design of their successful bathroom range, are the proof. Although the classic design elements are still there, the range now has a subtler and more contoured feel. Such as the flat base of the wash-basin and the vertical interior walls. Or the seemingly circular, console basin that, upon closer inspection, reveals itself to be a gentle oval. Minimal nuances that give the range a fresh and unique modern appeal. The ideal complement: Starck 2 toilets and bidets, Starck bath tubs and shower trays and Starck bathroom furniture.

**Starck 2. La forza delle sfumature.** Spesso sono i piccoli cambiamenti a lasciare il segno. Lo dimostrano i nuovi lavabi Starck 2 con cui Duravit prosegue il ri-design della famosa serie di design per il bagno. Nonostante rimangano inalterate le tipiche caratteristiche formali, i lavabi appaiono più fini, con bordi più sottili. Come il bacino interno con fondo piatto e pareti completamente verticali. O come la bacinella che appare rotonda, ma che se osservata con attenzione risulta leggermente ovale. Minime sfumature che donano alla serie nuova freschezza e modernità. Completamento ideale sono i vasi ed i bidet Starck 2, le vasche ed i piatti doccia Starck e i mobili Starck.

**Starck 2. La force de la nuance.** Ce sont souvent les petites modifications qui ont un effet durable. Les nouveaux lavabos Starck 2 en apportent la preuve: en les redessinant, Duravit continue dans la lignée de la série à succès pour la salle de bains. Bien que les caractéristiques ne soient pas modifiées, tout semble cependant encore plus fin avec des lignes plus recherchées. Comme la vasque à poser avec sa surface plane à bord légèrement relevé apparemment toute ronde mais qui s'avère légèrement ovale lorsqu'on la regarde de plus près. Des nuances minimales qui donnent à cette série une touche de fraîcheur et de modernité. Complément idéal: les cuvettes de WC et les bidets Starck 2, les baignoires et les receveurs de douche Starck ainsi que les meubles Starck de salle de bains.

**Starck 2. De kracht van de nuance.** Vaak zijn het de kleine veranderingen die blijvende impact hebben. De nieuwe Starck 2 wastafels, waarmee Duravit het design van de succesvolle badkamerserie voortzet. Terwijl de typische designelementen gehandhaafd blijven, heeft alles nu nog fijnere contouren. Zoals de vlakke bodem met vertikaal lopende binnenwanden. De schijnbaar ronde wastafel die zich bij nader inzien tot een licht ovaal ontpopt. Minimale nuances die de serie een nieuwe frisheid en moderniteit geven. Ideale aanvulling: de Starck 2 closets en bidets, Starck baden en douchebakken en Starck meubelen.

**Starck 2. La fuerza de los matices.** Muchas veces, pequeñas modificaciones pueden adquirir un efecto duradero. Esto lo confirman los lavabos Starck 2 rediseñados con los que Duravit continúa la serie de baño de éxito. Aunque se mantengan las típicas características del diseño, todo parece más fino y más contorneado. Como el fondo del seno plano con sus verticales paredes interiores. Como el bowl aparentemente redondo, que al observarlo más entretenidamente revela su forma ligeramente ovalada. Estos matices mínimos le confieren una nueva frescura y modernidad. Un complemento excelente: los inodoros Starck 2 y los bidés, bañeras y platos de ducha, así como los muebles Starck.
